FAMILY ADVENTURE HOLIDAYS

This summer, why not experience a staycation like no other? At Alton Castle, we can offer action-packed, outdoor family holidays, where you get to stay in our beautiful 19th century, Pugin designed castle. Surrounded by the beauty of the Churnet Valley, riddled with an historic past, a stay at the castle is a unique experience.

Stays are from Mondays to Fridays - check-in is from 4pm Monday and check-out is no later than 10am on the Friday.

All of our stays are COVID-19 secure. Your family can hire a floor of the castle all to yourselves, socially distancing from our staff and activities instructors, so that you can relax and enjoy your holiday in your social bubble.

SOLI

For an adventure holiday package, you can choose one of the floors of the castle for you and your family's social bubble. Each floor includes simple dormitory/basic hostel style accommodation (each floor has at least one en-suite room) with single or bunk beds. Your package will also include use of a section of our dining room for meals, and a social space. Some meals are included within the package, cooked by our amazing catering team.

Any large family groups wishing to cater for themselves could hire the whole castle, or could book our smaller accommodation at Soli (available for hire without activities - activities can be purchased as individual experiences).

ACTIVITY EXPERIENCES

As part of the adventure holiday, you and your family can take in the beautiful Staffordshire countryside as you embark on adventurous outdoor activities. All activities will be led, socially distanced, by our qualified instructors, so you can enjoy your holiday worry free. Venture out into the valley on a trek, take a ride on one of our mountain bikes, or try your hand at a spot of archery. All activities are suitable for children aged 7+ and for adults.
